MEMORANDUM FOR: Members, Intelligence Producers Council

FROM: [redacted]
Chief, Intelligence Producers Council Staff

SUBJECT: Production Enhancement Initiatives - FY 88 (PEI) Program

25X1

1. Forwarded herewith is a package summarizing the status of the PEI program for the current fiscal year. To date, the IPC Staff has received 65 PEI proposals--an unusually large number. Peer reviews and staff evaluations have been accomplished for 32 of these, and we are recommending that 8 initiatives be considered for funding. The 8 recommended PEIs will be tabled for your consideration and approval at an IPC meeting scheduled for 24 February 1988. [redacted]

2. Although we have approximately [redacted] available for new initiatives, we are recommending that approximately [redacted] be obligated now. This will ensure that those PEIs that are still pending peer review can be funded later in this fiscal year, if they look promising. [redacted]
